

The Parish Council wants as many people as possible to be able to use this website. For example, that means you should be able to:

- change colours, contrast levels and fonts
- zoom in up to 300% without the text spilling off the screen
- navigate most of the website using just a keyboard
- navigate most of the website using speech recognition software
- listen to most of the website using a screen reader (including the most recent versions of JAWS, NVDA and VoiceOver)

We've also made the website text as simple as possible to understand.

AbilityNet has advice on making your device easier to use if you have a disability.

How accessible is this website:

This website should be fully accessible save for some documents published prior to September 2020 for which we claim exemption.

Many of our older PDFs and Word documents do not meet accessibility standards - for example, they may not be structured so they're accessible to a screen reader. This does not meet WCAG 2.1 success criterion 4.1.2 (name, role value).

What to do if you can't access parts of this website:

If you need information on this website in a different format:

- email corstonparishclerk@outlook.com
- call 07485 003489

We'll consider your request and get back to you in 14 days.
