

SAVE A LIFE

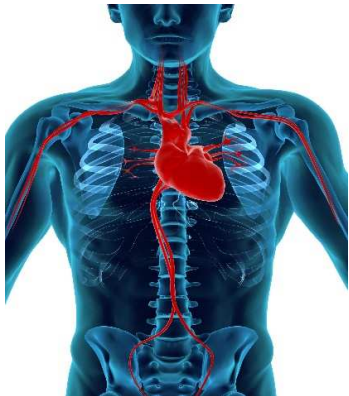

30,000 Cardiac Arrests occur every year in the UK:

Less than 1 in 10 casualties survive.

Can you assess a casualty?

Can you do Cardio Pulmonary Resuscitation (CPR)?

Can you use an Automatic External Defibrillator (AED)?

Join a training session

Village Hall

Friday 25th November

2.30 pm

**Richard Bush has 22 years service in St John Ambulance
and is a Certified First Aider**

For further information contact 07960 791931

**It is recommended that trousers/slacks be worn as the
training is of a practical nature**

**No Charge: Donations are welcome to pay expenses and
support a charity**
